

MONITORING AND IMPROVING OUR SERVICE

We want to make sure that all our services are delivered fairly. We are therefore asking you the following questions about you, so that we can make sure that our services include everyone's needs. The information you provide will be kept confidential.

We will use your answers to pull together statistical information that AVHL will use to check the fairness of any services you receive. This information will only be used by our departments and services and shared with Leeds City Council. They will only use this information for the same purposes as AVHL.

You do not have to answer these questions, and if you choose not to this won't make any difference to the service you receive.
